

Care Instructions for Costumes

Labcoats

- Labcoats can be washed in the washing machine on a DELICATE cycle.
- They MUST be turned inside out when washed.
- Hang dry only.
- If you have any issues with your labcoat, please contact Rebecca for it to be repaired.
484.619.4732 PLEASE DO NOT ATTEMPT TO REPAIR YOURSELF!

Colored Shirts

- Please follow the washing instructions on the tag of the shirt.

Black Pants

- Please wash these pants regularly, as they will start to smell.
- Note: If you turn them inside out to wash them, you will preserve the color of the pants.
